

SUPPLEMENT TO  
**The Gazette of India.**

No. 27.}

SIMLA, SATURDAY, JULY 3, 1909.

**OFFICIAL PAPERS.**

*A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The Debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.*

*Non-Subscribers to the GAZETTE may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta or Rupees nine if sent by Post.*

*No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.*

**MEASURES FOR AMELIORATING THE POSITION OF INDIAN STUDENTS IN ENGLAND.**

Nos. 556—569.

GOVERNMENT OF INDIA.

HOME DEPARTMENT.

EDUCATION.

*Simla, the 1st July 1909.*

**RESOLUTION.**

IT has been frequently brought to the notice of the Secretary of State for India that Indian students on their first arrival in England experience difficulties by reason of their lack of information as to educational facilities and social conditions; and he has for some time had under consideration the possibility of rendering available for their use information and advice of the kind required. He has now, after consulting the Government of India, decided to establish a Bureau in London for the supply of information, as well as a Standing Committee for general advisory purposes. The Bureau and the Committee will work in close relation with one another, and the head of the Bureau, who will be called the Educational Adviser to Indian Students, will also act as Secretary to the Advisory Committee.

2. The functions of the Bureau will be to answer inquiries in regard to educational facilities, to keep a list of lodgings and boarding-houses suitable for Indian students and of private families willing to receive them on such terms as may be arranged, to furnish students with references, to bring to the notice of the Advisory Committee any cases in which the regulation of educational institutions bears hardly on Indian students, and generally to give all possible assistance either to students themselves or to their parents in India. The Bureau will be in close touch with the Board of Education, with its correspondents at the leading Universities, and with local Committees in India.

3. The Advisory Committee will be available for consultation by students or their parents, by the Educational Adviser, and by the Secretary of State, and will bring to the latter's notice any matter in regard to which it may desire to suggest action on his part for improving the position of Indian students. It will stand, as far as possible, *in loco parentis* to students whose parents are unable themselves to supervise their education. In particular, its members will be ready to assist students in social matters. It is hoped that in this way they may be able to do much towards removing any feeling of friendlessness, and towards providing for young Indians social opportunities which would not otherwise be open to them.

The following gentlemen have accepted the Secretary of State's invitation to serve on the Advisory Committee, of which Lord Ampthill has consented to act as Chairman :—

Sir M. M. Bhownaggee, K.C.I.E.

Saiyid Ameer Ali, C.I.E.

Major N. P. Sinha, I.M.S., retired.

Kamruddin Latif.

Theodore Morison, Esq., Member of the Council of India.

Pandit Bhagwāndīn Dubé, Barrister-at-law.

Lieutenant-Colonel Sir W. Curzon Wyllie, K.C.I.E., C.V.O., Political Aide-de-Camp to the Secretary of State.

4. The appointment of Educational Adviser to Indian Students has been accepted by Mr. T. W. Arnold, formerly of the Indian Educational Service, who has relinquished his post as Assistant Librarian at the India Office for the purpose. Mr. Arnold has taken up his duties, and the Bureau of Information is temporarily located at the India Office until suitable premises can be obtained elsewhere.

5. The Governor General in Council now desires to explain the measures which, after consulting local Governments, he considers should be adopted in India with the object of supplementing the activities of the Central Bureau and the Advisory Committee in England. It is proposed to establish local Committees, consisting of representative European and Indian gentlemen, in each province, excepting Burma and the North-West Frontier Province. These Committees will be in direct communication with the Central Bureau in England.

By means of this agency it is hoped that the Educational Adviser will be able to obtain all information regarding individual students which may be desired by the University or other authorities in England, and thus to meet the need which has made itself felt for detailed and trustworthy information as to the position, means and character of Indian applicants.

The Committees will be sufficiently large to be representative in character, and local Governments will co-operate with the Universities in bringing them into existence. It is the intention that each Committee shall have among its members representative Indian gentlemen of good position and local reputation, enjoying the confidence of the educated classes of the province no less than of the Government. The Government of India consider that it will be advisable to appoint to the Committees a number of Indian gentlemen residing in the mufassal, who will take a personal interest in their work and will explain their objects and advantages throughout the area in which they exercise a local influence. The provincial Committees will be constituted by the local Governments and Administrations; and the Vice-Chancellor of the University and the Director of Public Instruction will be members where practicable. The functions of the Committees will be :—

- (1) To furnish information and advice to Indians who contemplate going to England.
- (2) To circulate in India to colleges and other institutions the educational, financial and social information collected by the Central Bureau in London.
- (3) To communicate with the Central Bureau on behalf of students before they start or on behalf of their parents when they are in England.

One of their minor duties will be to see that the handbook of information, which will be published by the Central Bureau, is kept up to date; and the latter will be asked to supply from time to time to the local Committees in India all information necessary to correct that given in the current issue of the book.

6. Local Governments and Administrations have generally accepted the above proposals, and it only remains now to give effect to the scheme. The Governor General in Council desires therefore that steps may be taken as soon as possible to constitute the local Committees. The intention is that there shall be in each province a general Committee representing the province as a whole, and that, where necessary, there shall also be sub-committees at such local centres as may be convenient. The President and Members of these Committees will be selected and appointed by the local Governments. As stated above, these proposals will not for the present apply to Burma; and the North-West Frontier Province will be represented on the Punjab provincial Committee by the officer in charge of education in the former province. The province of Coorg might similarly be represented on the Madras Committee. Native States, who so desire, will also be represented by the Political Officers of the States on the Committees at the head-quarters of their respective Universities.

7. There will be a paid Secretary to each provincial Committee, who will be appointed by the local Government. It has been stated by one local Government that the services of a Secretary can be procured on an allowance of Rs. 60 per mensem. Such an arrangement may not be possible in

every case, and the Government of India leave it to the discretion of local Governments to fix the pay of this officer, subject to a maximum limit of Rs. 200 per mensem. The provincial Committees, as soon as they are constituted, should place themselves in communication with the Educational Adviser to Indian Students, India Office, London.

\* Madras.

H. A. STUART,  
Secretary to the Government of India.

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

**Rainfall summary, for the seven days ending at 8 hrs. on Thursday, the 1st July 1909, based on the Indian Daily Weather Reports of the period.**

Comparatively little rain was given by either monsoon current on the 25th. On the 26th the Bay current, which had been inactive for some time past, showed signs of strengthening and occasioned rain over the whole of Burma. On the next day there was a marked increase in the area from which rain was reported, the falls being nearly general in Burma, northeast India, the United Provinces, Central India and on the west coast of the peninsula, while local rain had fallen in the Central Provinces. The improvement thus shown in both branches of the monsoon current was maintained for the next three days, and rainfall extended into Gujarat, Rajputana and the east of the Punjab. At the close of the week, however, the trough of low pressure moved northwards and this, combined with the formation of a depression in the United Provinces, caused a concentration of rainfall over the latter region, to the detriment of northwest India and the central parts of the country.

*Burma.*—Rain fell in all parts of the province. Skies were moderately to heavily clouded. Temperature was normal except on the 26th, when it was in defect in the daytime in Upper Burma.

*Northeast India, including Orissa.*—Very little rain fell on the 25th and 26th, but on the remaining days rainfall was nearly general. Skies were moderately to heavily clouded. Temperature was approximately normal.

*The United Provinces, Central India and the Central Provinces.*—All stations reported rain. Skies were moderately to heavily clouded on most days. Maximum temperature was in defect from the 28th to the end of the week.

*Northwest India.*—Rain fell at most stations in Rajputana and Gujarat and was heavy in places. There was no rain in the southwest of the Punjab and Sind, but light rainfall occurred in the north and east of the Punjab and in Kashmir. Skies were generally clear over the western desert and moderately clouded elsewhere. Temperature was higher than usual during the first three days of the week, but with the extension of rainfall into northwest India temperature fell rapidly, and on the 29th and 30th it was in defect over the greater part of the division.

*The Peninsula.*—Rainfall occurred chiefly in the west of the division, but rain also fell locally in Madras and Hyderabad. Skies were moderately to heavily clouded except in the southeast. Temperature was nearly normal.

The following summarises the chief rainfall amounts of the week, as reported at 8 hrs. each day:—

June 25th. Tavoy 3'65", Silchar 3'25" and Aurangabad 4'30".

„ 26th. Port Blair 4'02", Moulmein 4'92", Toungoo 2'19", Lashio 2'17", Myitkyina 2'02", Goa 4'30", Karwar 4'63" and Mangalore 4'40".

June 27th. Akyab 5·18", Dhubri 4·25", Bahraich 2·95", Jhansi 2·50",  
Roorkee 4·26", Chakrata 3·13", Karwar 4·78" and  
Mercara 3·13".

" 28th. Kyaukpyu 3·65", Dibrugarh 2·74", Sambalpur 3·23",  
Gorakhpur 2·53", Meerut 3·09", Muktesar 3·38", Delhi  
3·93", Kotah 3·37", Udaipur 3·02", Surat 3·86" and  
Ahmedabad 3·36".

" 29th. Chittagong 3·57", Purnea 3·21", Bahraich 3·50", Saugor  
3·35", Lahore 2·61", Dwarka 7·64", Veraval 2·69" and  
Surat 3·85".

" 30th. Akyab 4·60", Chittagong 4·12", Benares 2·55", Allahabad  
2·61", Raipur 2·65", Delhi 2·19", Bikaner 2·02" and  
Mangalore 4·05".

July 1st. Akyab 9·14", Lucknow 4·34" and Mangalore 3·65".

The rainfall of the week was either normal or in excess over nearly the whole country; the excess was largest in the east of the United Provinces, Rajputana, Gujarat and the Konkan. The defect shown in seasonal rainfall a week ago in the west of Rajputana has decreased considerably and that shown in Gujarat has disappeared. Rainfall is now in large excess in the east of Rajputana.

GEORGE C. SIMPSON,

for Director-General of Observatories.

R. W. CARLYLE,

Secretary to the Government of India.

SIMLA;

The 1st July 1909.

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

Season and Crop Prospects for the week ending Saturday,  
26th June 1909.

**Burma.**—The rainfall was heavy in most districts but was limited to light showers in the dry zone. Sowing of hill side rice is approaching completion. Ploughing for the main rice crop is well in hand and sowing of nurseries is progressing. In the dry zone of Upper Burma cultivation of the autumn crops, sessamum, cotton and ground-nut, is progressing satisfactorily. Standing crops are in good condition and prospects are favourable. The price of unhusked rice has advanced slightly at Rangoon. Fluctuations in district prices are small and prices are generally moderate though slightly above the normal.

**Eastern Bengal and Assam.**—The rainfall during the week was unevenly distributed; it was low in Comilla, Mymensingh, Pabna and Goalpara and high in Noakhali, Rangpur, the Duars and Gauhati. Prospects of tea are better in Jalpaiguri and Cachar but more sun is wanted in Dibrugarh. The rivers at last week's levels did damage to crops on low lands. The damage was considerable in Rajshahi, Pabna, Bogra, Mymensingh, Goalpara, Kamrup and Sibsagar. Crops on high lands are good. Prospects of rice are generally good except in Kamrup, Goalpara and the Garo Hills. Sowing of winter rice is almost finished. The price of rice is unchanged. Test relief works have been closed. Nineteen persons are receiving gratuitous relief in Bogra. The grant of loans has been completed in Dinajpur but still continues in Bogra. Cattle disease is reported from several districts.

**Bengal.**—Rain fell during the week in all districts except Saran. There was a heavy thunderstorm at Bhagalpur but the rainfall was local. Sowings of autumn crops still continue. Transplantation of winter rice has commenced in some districts. Weeding of jute is also in progress. Prospects of standing crops on low lands in Purnea and of jute in Darjeeling have deteriorated owing to the recent heavy rainfall. *Til*, jute and sugarcane have been partially damaged by floods in the Kandi sub-division of Murshidabad. Some damage to crops by insect pests is reported from parts of Jessore. The price of common rice has risen in the markets in Burdwan, Patna, Bhagalpur and Cooch Behar and has fallen in Midnapore, Saran and Muzaffarpur. Cattle disease is reported from several districts. The fodder and water supply is sufficient throughout the Province. The figures for the number of persons on test works in Bhagalpur have not yet been received. The famine relief works in Darbhanga were attended by 5,570 persons. Gratuitous relief was given to 29,059 persons in Muzaffarpur, Darbhanga and Palamau.

The weekly report on the famine and scarcity is as follows:—District Darbhanga—Workers exclusive of dependants 5,570; on gratuitous relief (a) dependants of workers 3,106; (b) in poorhouses or kitchens 4,398; and (c) on village doles or other relief 18,596; total gratuitously relieved 26,100. Grand total on relief 31,670. Some more rain fell during the week. Agricultural operations are being resumed except where there is still water in the fields. Prospects are at present distinctly favourable. Prices 11 to 11½ seer per rupee.

**United Provinces.**—Rain fell during the week in all districts. The amounts received were for the most part not large but good. General rain has also fallen since the close of the week. Autumn sowings continue. Standing crops are in good condition. Supplies of fodder and water are adequate. Cattle disease is reported from eighteen districts but the general condition of agricultural stock is good. Prices are stationary.

The weekly report on the famine and scarcity is as follows:—The general health of persons on relief and of others also is good. Crime is normal. Two civil works and one aided work are in progress and one poorhouse is open in Bijaigarh; one civil and two aided works in Kera Mangraur; and sixteen aided works in Jaunpur. The test work in Kheri has been closed. The distribution of gratuitous relief continues in Basti, Kheri and Garhwal. Eleven small works are open in Garhwal. Seven civil and two aided works are in progress and one poorhouse is open in Bahraich. The numbers on relief are practically stationary except in Bijaigarh where there is a slight increase and in Basti where there is a slight decrease. The people are busy in the fields. The numbers on Government relief are:—on relief works 15,698; on aided works 1,476; on gratuitous relief 8,092; in poorhouses 157; on private works 23; total on relief 25,446. Prices:—Garhwal 9; Kera Mangraur, Kheri and Bahraich 14; Bijaigarh 15; and Basti 16 seers per rupee.

**Punjab.**—The rainfall during the week was heavy in parts of Ambala; moderate in parts of Multan; and light in parts of Hissar, Gurgaon, Delhi, Jullundur, Gujranwala, Rawalpindi, Mianwali and Lyallpur. Rain is needed in Sialkot. Extra spring crops are being harvested in Ludhiana, Ferozepur, Amritsar and Mianwali. Sowings of autumn crops continue. The recent rain was beneficial to standing extra spring and autumn crops which are generally in good condition. Unirrigated sugarcane has been slightly damaged by insects in parts of Sialkot and *juar* and cotton in parts of Multan. Prices are high and have risen slightly in some districts. Cattle are generally in good condition. Fodder is sufficient except in Delhi.

**North-West Frontier Province.**—Showers of rain which were beneficial to standing crops fell in the Peshawar, Nowshera and Charsadda tahsils of Peshawar and in the Bannu tahsil of Bannu. There was no rain elsewhere. The condition of standing crops is average. Sowing of autumn crops is in progress in Dera Ismail Khan. Harvesting of extra spring crops has commenced in Bannu and the outturn is average. The outturn of harvested crops in Dera Ismail Khan is, on the whole, average. The health of people is good. Cattle disease prevails in several villages. Fodder is scanty in the Marwat tahsil of the Baunu district and is sufficient elsewhere. Irrigation from canals is sufficient. Prices are falling slightly. Prices:—wheat  $10\frac{1}{2}$  to  $12\frac{1}{2}$ ; maize  $14\frac{1}{2}$  to  $17\frac{1}{2}$ ; gram  $13\frac{1}{16}$  to 16; *bajra* 13 to 15; and barley  $17\frac{1}{16}$  seers per rupee.

**Jammu.**—Slight rain fell during the week. Prices are fluctuating. Wheat sells from  $10\frac{1}{2}$  to 16 and maize from 13 to 20 seers per rupee. The condition of standing crops is fair. Autumn sowing is in progress. Cattle disease of mild type is reported in two tahsils. Fodder is sufficient.

**Kashmir.**—The weather was bright with slight rain on two occasions. The condition of spring crops is average and that of autumn crops good. Fodder is sufficient. There is no disease among cattle. Prices are unchanged.

**Rajputana.**—There was no rain during the week in Bikanir, the Western States, Kishangarh, Shahpura and some other States. Ajmer reports partial rain. The maximum fall was 207 cents in Banswara and the minimum 8 cents in Tonk. Monsoon sowings are in progress in many places. Cattle disease is prevalent in parts of Mewar and Bharatpur. Prices are steady or show slight fluctuations.

**Central India.**—The rainfall during the week was slight in Gwalior and Indore and general elsewhere. Sowing of autumn crops is in progress in Indore and Bhopawar and has commenced elsewhere. Agricultural stock are satisfactory except for some cattle disease in Baghelkhand, Bundelkhand and Bhopawar. Prices are high but stationary.

**Central Provinces.**—The heaviest fall of rain during the week was at Saugor which received 6 inches whereas Chhindwara and Drug received only 78 and 91 cents respectively. Elsewhere the quantity registered ranged from  $4\frac{1}{2}$  inches in Narsinghpur to 1

inch in Raipur. More rain is needed in Damoh, Seoni, Chanda, Bhandara and Raipur. Sowing of autumn crops is in full swing and germination is reported to be good in Jubbulpore, Seoni, Narsinghpur, Bhandara, Balaghat and the districts of Chhattisgarh. Cotton has germinated well in Nimar, Wardha and the Berar districts. Fodder and water are sufficient everywhere. Cattle are doing well. The price of rice in Bilaspur, gram in Raipur and wheat in Nimar became cheaper by one seer per rupee. Elsewhere, prices of staple food grains remained stationary or fluctuated slightly exhibiting a tendency to fall. The number of weavers on relief was 68.

**Feudatory States**—During the week rain fell in nine States ranging from  $2\frac{1}{2}$  inches in Sakti to 48 cents in Khairagarh. Sowing of autumn crops is in rapid progress everywhere. Early sown rice is germinating well. Fodder and water are adequate. The price of gram in Jashpur and of rice in Khairagarh fell by two seers and *kodon* in Raj Nandgaon by  $\frac{1}{4}$  seer. Rice in Kanker and Raigarh rose by 1 and  $1\frac{1}{2}$  seers per rupee respectively. Prices were stationary or varied slightly elsewhere.

**Bombay**.—The rainfall during the week was heavy in parts of Colaba, Ratnagiri and Kanara; good in parts of Ahmedabad, Broach, Surat, East Khandesh, Ahmednagar and Sholapur; moderate in parts of the Panch Mahals, Kaira, Thana, West Khandesh, Nasik, Belgaum, Kathiawar, Mahi Kantha and Rewa Kantha; and slight in parts of Thar and Parkar, Poona, Satara, Bijapur, Dharwar, Baroda, Palanpur and Cutch. More rain is needed for cultivation of autumn crops in parts of Thar and Parkar, Ahmedabad, Colaba, Ratnagiri, Kanara, Khandesh, Nasik, Poona, Bijapur and Belgaum. Preparation of lands for cultivation of autumn crops continues in parts of Sukkur, the Panch Mahals, West Khandesh, Nasik, Dharwar and the Gujarat Native States. Sowing of autumn crops generally continues but has been retarded in parts of Bijapur and Belgaum owing to insufficient moisture. Transplantation is in progress in parts of Karachi and Sukkur and has commenced in parts of Larkana, Hyderabad, Surat and the Konkan. The supply of fodder is adequate except in parts of West Khandesh. Agricultural stock are sufficient except in parts of Ahmednagar, Poona, Sholapur, Satara and Cutch and are generally in good condition. The supply of drinking water and of water for irrigation are generally adequate. Prices of food grains have fallen slightly in Kanara; have risen slightly in Larkana, Ahmednagar, Belgaum and Dharwar; and are generally stationary elsewhere. The quantity purchasable per rupee is in Sind 29 to 40 per cent; in Gujarat 27 to 49 per cent; in the Konkan 3 to 26 per cent; in the Deccan 20 to 49 per cent; and in Karnatak 37 to 44 per cent less than the normal. Stocks of grain are adequate. Labourers get sufficient employment. The cultivating and labouring classes are generally in fair condition. The numbers on relief are:—on works, 598 in Bijapur; on gratuitous relief, 93 in Bijapur and 120 in Dharwar; total on relief 811.

**Hyderabad**.—The rainfall during the week was 1 inch 50 cents. It was good in parts of the Aurangabad and Nander districts and fair in the Bir, Usmanabad, Nizamabad, Medak and Adilabad districts. The highest falls were:—7 inches 3 cents in Aurangabad; 6 inches 20 cents in Bhokardan; 4 inches 86 cents in Jailna in the Aurangabad district; and 4 inches 19 cents in Hingoli in the Parbhani district. Lands are under preparation for autumn crops and sowings are in progress in most parts. Early rice is also being sown in parts of the Medak and Nizamabad districts. Sprouts of autumn crops are fair except in the Kushtagi, Raichur and Mahbubnagar districts. The fodder and water scarcity has almost been removed, the former prevailing only in the Kushtagi, Lingsugar, Nalgonda and Paloncha talukas and the latter in Kushtagi, Yellareddipet and Paloncha. Cattle disease is prevalent in two talukas. Prices:—wheat  $6\frac{3}{4}$ ; coarse rice 7; and *juar* 14 seers per rupee. White *juar* is selling in Hyderabad City at  $12\frac{1}{2}$  seers per rupee. Yellow *juar* is not available. The highest price in districts is 9 seers in the Kushtagi taluka of the Raichur district, the Paloncha taluka of the Warangal district and the Adilabad taluka of the Adilabad district and the lowest 21 seers in the Rajura and Udgir talukas of the Bidar district.

**Mysore.**—Good rain fell during the week in Kadur and Shimoga and slight rain elsewhere. Prices of food grains are generally steady and markets are well supplied. Ploughing and sowing operations continue. Prospects of the season are fair. Rain is needed in parts of Bangalore, Kolar, Tumkur, Mysore, Hassan and Chitaldroog. Cattle are generally healthy but disease is prevalent in some localities. Water and fodder are available.

**Coorg.**—The rainfall during the week was 9 inches 39 cents. Ploughing for rice continues and transplanting has commenced. Prices of food grains are high. The public health is fair. Water and fodder for cattle are sufficient.

**Madras.**—The rainfall during the week was normally very heavy in South Canara and Malabar; good in Ganjam, Vizagapatam and the Nilgiris; *nil* in Godavari and Trichinopoly; and light to fair elsewhere. Irrigation supplies are insufficient in parts of districts except Ganjam, Anantapur, Chingleput, Coimbatore, Trichinopoly, Tinnevely, Malabar, South Canara and the Nilgiris. Ploughing, sowing, weeding and transplanting are in progress in parts. Standing crops are generally fair, but some in parts of Bellary, Salem and Coimbatore require more rain. Harvests continue with outturn poor to normal. Pasture is insufficient in parts of Kistna, Guntur, the Deccan, Nellore, South Arcot and Tinnevely. Fodder is scanty in parts of Guntur, the Deccan and North Arcot. The condition of cattle is generally good. The price of rice is stationary in fifteen districts; has fallen in two; and has risen in five. The prices of millets have fluctuated as follows:—*Ragi* is stationary in nine districts; has fallen in three; and has risen in nine. *Cholam* is stationary in seven districts; has fallen in three; and has risen in four. *Cumbu* is stationary in eight districts; has fallen in three; and has risen in five. The public health is generally good. Prospects are generally fair. The condition of the labouring classes is good and employment is procurable. Grain stocks are generally sufficient.

Secretary to the Government of India.

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

## FAMINE.

Statement showing the number of persons on relief works and in receipt of gratuitous relief in the Districts and Native States affected by famine or scarcity in India—(District details).

NOTE.—The figures are compiled from returns obtained from Local Governments and Political Officers, and give the corrected details of those reported in the telegraphic famine reports published weekly in the Supplement to the *Gazette of India*.

Non-labouring children and other dependants of relief workers are classed under relief works when distinguished in the local returns from those gratuitously relieved in poor-houses or at their houses. Weavers relieved in their own trade are shown under "village doles or relief."

C. F. ANDERSON, Capt., R.E.,  
for Secretary, Railway Board.

SUPPLEMENT TO  
**The Gazette of India.**

No. 28 }

CALCUTTA, SATURDAY, JULY 10, 1909.

**OFFICIAL PAPERS**

A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.

Non-Subscribers to the Gazette may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta, or Rupees nine if sent by Post.

No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.

GOVERNMENT OF INDIA  
FINANCE DEPARTMENT

Total Gross Indian Sea and Land Customs Revenue (excluding Salt Revenue).

H. A. STUART,  
Secretary to the Government of India.

No. 958—960.

GOVERNMENT OF INDIA.

HOME DEPARTMENT.

JUDICIAL.

*Simla, the 6th July 1909.*

RESOLUTION.

In exercise of the powers conferred by section 2 of the East India Contracts Act, 1870 (33 and 34 Vict., C. 59), and of all other powers enabling him in this behalf, the Governor General in Council is pleased to direct that the following be substituted for clause L—IX of the Resolution of the Government of India in this Department no. 3-Judicial—485-501, dated the 28th March 1895, as amended by the like Resolution no 1589-1592, dated the 24th December 1908, relating to the execution of deeds, contracts and other instruments on behalf of the Secretary of State for India in Council :—

L—IX—Deeds, contracts and instruments relating to salt revenue.

By the Collector of Customs Calcutta; Collectors of Districts and Deputy Commissioners.

ORDER—Ordered that the above resolution be communicated to the Government of Bengal for information, with reference to their letter no. 331 S.R., dated 3rd April 1909 (addressed to the Government of India in the Finance Department) and to the Finance Department for information; and that it be published in the Supplement to the *Gazette of India*.

H. A. STUART,

*Secretary to the Government of India.*

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

**Rainfall summary for the seven days ending at 8 hrs. on Thursday, the 8th July 1909, based on the Indian Daily Weather Reports of the period.**

The trough of low pressure in northern India was displaced southwards at the commencement of the week and easterly winds prevailed along the Himalayas, while in northwest India pressure conditions were favourable for rainfall over the greater part of that area. Both monsoon currents were however less active than usual and the rainfall on most days was not as heavy as might have been expected. At the end of the week a marked improvement took place and heavy rain fell on the west coast, and a depression commenced to form in the Bay.

*Burma.*—During the greater part of the week rainfall was confined almost entirely to the coast districts. Skies were lightly to moderately clouded; and temperature was normal or in slight excess.

*Northeast India, including Orissa.*—Rain fell in all parts of the division on the first three days, but after that it decreased considerably and on the 6th and 7th only a few scattered falls were reported. Skies were moderately clouded. Temperature did not differ much from the normal.

*The United Provinces, Central India and the Central Provinces.*—Rainfall occurred at nearly every station, but the west of Central India and of the Central Provinces received only light and scattered showers. Moderate cloud was present. Maximum temperature was in general defect in the United Provinces and the east of Central India.

*Northwest India.*—Nearly every station in the Punjab, Rajputana and Gujarat had rain, and a few falls occurred in other parts of the division. Skies were clear or lightly clouded over the western desert and moderately to heavily clouded elsewhere. Temperature was normal or in excess up to the 4th, but it then fell and was in defect in parts of northwest India during the rest of the week.

*The Peninsula.*—Very little rain was reported on the first three days, but rainfall was nearly general on the west coast during the remainder of the week and extended locally into the interior. Cloud was moderate to heavy over the greater part of the division. Temperature was normal or in defect.

The following summarises the chief rainfall amounts of the week, as reported at 8 hrs. each day:—

July 2nd.	Akyab 3·27", Darbhanga 7·34", Allahabad 4·60", Lucknow 5·48" and Surat 2·23".
„ 3rd.	Cawnpore 4·14" and Mainpuri 4·10".
„ 4th.	Gaya 2·27", Dehra Dun 2·85", Jubbulpore 3·43", Jaipur 3·12" and Sambhar 2·45".

- July 5th. Tavoy 4'55" and Meerut 2'48".
- „ 6th. Jalpaiguri 3'76", Benares 2'67", Dehra Dun 2'63", Simla 2'09" and Mangalore 3'51".
- „ 7th. Dera Ismail Khan 2'13", Bikaner 1'85" and Goa 4'22".
- „ 8th. Moulmein 4'50", Murree 3'75", Ratnagiri 7'50", Goa 5'70" and Mangalore 7'09".

The week's rainfall was below the average in Upper Burma, northeast India, Gujarat, the central parts of the country and the whole of the peninsula with the exception of the west coast. On the other hand the deficiency shown a week ago in the seasonal rainfall in the west of Rajputana has now disappeared and that in the North-West Frontier Province has been changed to an excess.

DIVISION.	RAINFALL DATA FOR WEEK ENDING ON 8TH JULY 1909.			RAINFALL DATA FROM 30TH APRIL 1909 TO 8TH JULY 1909.			SEASONAL PERCENTAGE DEPARTURE FROM NORMAL.	
	Average actual rainfall in inches.	Average normal rainfall in inches.	Excess or defect in inches.	Average actual rainfall of season to date in inches.	Average normal rainfall in inches.	Excess or defect in inches.	This week.	Last week.

GEORGE C. SIMPSON,  
for Director-General of Observatories.

R. W. CARLYLE,  
Secretary to the Government of India.

SIMLA;

The 8th July 1909.

## GOVERNMENT OF INDIA,

## DEPARTMENT OF REVENUE AND AGRICULTURE,

Season and Crop Prospects for the week ending Saturday,  
3rd July 1909.

**Burma.**—Heavy rain fell in most districts except in the dry zone where the rainfall was slight and insufficient. Ploughing for the main rice crop is general and sowing of nurseries is progressing. In Upper Burma cultivation of the autumn crops, sesamum, maize, cotton and ground-nut is progressing. Standing crops are in good condition but more rain is needed for young plants in some of the dry zone districts. The price of unhusked rice has advanced slightly at Rangoon and at four other centres and has fallen slightly at Mandalay.

**Eastern Bengal and Assam.**—The rainfall during the week was heavy and well distributed except in Darrang, the Chittagong Hill Tracts and the Khasi and Jaintia Hills where more rain is needed. Prospects of tea are better in Dibrugarh; they are excellent in Cachar and Sylhet and fair in Jalpaiguri. The Brahmaputra is in high flood and damage is reported to low lands in the Garo Hills district, Goalpara and Kamrup. Prospects of rice on high lands are very good and those of jute are universally good except in Dhubri. Harvesting of jute and autumn rice has begun and winter rice is being transplanted. The average price of common rice has fallen by 1 per cent since last week. Loans are being given out in Bogra. There are 41 persons on gratuitous relief in Bogra and Rajshahi. Cattle disease is lessening though it is still prevalent in several districts.

**Bengal.**—The rainfall during the week was general all over the Province. The fall was heavy in parts of Nadia, Murshidabad, Shahabad, Sambalpur, Palamau, Manbhum and Cooch Behar and in the Tirhoot and Bhagalpur divisions except Champaran; it was light in Burdwan, Bankura, Jessore, Champaran, Cuttack, Balasore, Hazaribagh and Singhbhum; and moderate elsewhere. More rain is wanted in Burdwan, Bankura, Jessore and Angul. Weeding of jute and autumn paddy continues. Jute and sugarcane are doing well. Transplantation of winter rice is in progress. Insects are damaging the sugarcane crop in thana Gokaran in the district of Murshidabad. The price of common rice has risen in Nadia, Bhagalpur and Sambalpur and has fallen in Shahabad and Hazaribagh. Cattle disease is reported from several districts. The fodder and water supply is sufficient. The number of persons on test works in the Madhipura subdivision of Bhagalpur was 57. The famine relief works in Darbhanga were attended by 2,864 persons. Last week these works were attended by 5,570 persons. Gratuitous relief was given to 31,335 persons in Muzaffarpur, Darbhanga, Bhagalpur and Palamau.

The weekly report on the famine and scarcity is as follows:—District Darbhanga—Workers exclusive of dependants 2,864; on gratuitous relief (a) dependants of workers 1,959; (b) in poorhouses or kitchens 4,757; and (c) on village doles or other relief 19,284; total gratuitously relieved 26,000. Grand total on relief 28,864. Some more rain fell during the week. Sunshine is now wanted for autumn crops. People are actively busy on agricultural operations. Prospects are favourable. Prices 11 to 11½ seers per rupee.

**United Provinces.**—Heavy rain fell during the week all over the Provinces. Autumn sowings continue. Standing crops are in good condition. The fodder and water supplies are adequate. Cattle disease is reported from eighteen districts but the general state of agricultural stock is good. Prices are stationary.

The weekly report on the famine and scarcity is as follows:—The condition of people on relief is good. Crime is normal. Two civil works and one aided work are.

in progress and one poorhouse is open in Bijaigarh; and one aided work in Jaunpur. Some works continue in Garhwal. Seven civil works are in progress and one poorhouse is open in Bahraich. One civil work in Kera Mangraur was closed on the 3rd July. Gratuitous relief is being distributed in Basti and Kheri. The total number on relief is practically unchanged. The numbers on Government relief are:—on relief works 15,574; on aided works 420; on gratuitous relief 10,823; in poorhouses 169; on private works 27; grand total on relief 27,013. Prices:—Garhwal 9; Kera Mangraur, Kheri and Bahraich 14; Bijaigarh 15; and Basti 16 seers per rupee.

**Punjab.**—Moderate to light rain was received in all districts except Mianwali and Multan. Rain is badly needed in Mianwali. Extra spring crops are being harvested. Sowings of autumn crops continue satisfactorily. Standing autumn crops are generally in good condition. Cotton and *juar* have been slightly damaged by insects in parts of Multan. Prices are high and have risen slightly in some districts. Cattle are generally in good condition. Fodder is sufficient except in parts of Shahpur.

**North-West Frontier Province.**—Showers of rain which were beneficial to standing crops fell in the Nowshera, Mardan and Swabi tahsils of the Peshawar district and in the Bannu tahsil of the Bannu district; showers were also received in Dera Ismail Khan. More rain is wanted everywhere. The condition of standing crops is average. Harvesting of extra spring crops is in progress in Bannu and the outturn is average. Sowing of autumn crops is still in progress in Dera Ismail Khan and Bannu. The public health is good. The condition of cattle is good but disease still prevails in the Marwat tahsil of the Bannu district. Irrigation from canals is sufficient. Fodder is deficient in the Marwat tahsil but sufficient elsewhere. Drinking water is scarce in the Daman tract of the Dera Ismail Khan district. Prices are fluctuating. Prices:—wheat  $10\frac{1}{8}$  to  $12\frac{1}{2}$ ; gram  $13\frac{5}{16}$  to 16; maize  $14\frac{1}{4}$  to 17; *bajra* 13 to 15; and barley  $18\frac{9}{16}$  seers per rupee.

**Jammu.**—Slight rain fell during the week. Prices are fluctuating. Wheat sells from 10 to  $16\frac{1}{2}$  and maize from 12 to 20 seers per rupee. The condition of standing crops is fair. Cattle disease of mild type prevails in certain tahsils. Fodder is sufficient.

**Kashmir.**—The weather was bright except for rain on one occasion which did good to crops. The condition of spring crops is average and that of autumn crops good. Fodder is sufficient. There is no disease among cattle. Prices are unchanged.

**Rajputana.**—General rain fell in almost all the States and in Ajmer. The heaviest amounts received, in cents, were:—Kotah 745; Bundi 700; Tonk 627; Karauli 644; Bharatpur 431; and Dholpur 463; the minimum fall was 118 cents in Jaipur. Partial rain is reported from Bikaner and Marwar. There was no rain in Jaisalmer. Monsoon sowings are generally in progress. The condition of cattle is satisfactory. Fodder is sufficient. Prices have fallen by  $1\frac{1}{2}$  seers in Mewar and are steady or practically steady elsewhere.

**Central India.**—The rainfall during the week was general and sufficient for present requirements. Sowing of autumn crops is in progress. Agricultural stock are satisfactory except for some cattle disease in Indore, Baghelkhand, Bundelkhand and Bhopawar. Prices are high but stationary.

**Central Provinces.**—The heaviest falls of rain registered during the week were:— $7\frac{1}{2}$  inches in Mandla and  $5\frac{1}{2}$  inches in Jubbulpore. Narsinghpur, Seoni, Balaghat and Raipur each registered from  $3\frac{1}{2}$  to  $4\frac{1}{2}$  inches. In the remaining districts the rainfall ranged from 6 cents in Wardha to  $2\frac{1}{4}$  inches in Damoh. More rain is required in Damoh, Drug, Raipur and the districts of the Nagpur country. Sowing of autumn crops is in rapid progress everywhere and germination of crops already sown is reported satisfactory. Some re-sowing was necessary in Saugor and Chhindwara. Weeding has begun in Saugor, Narsinghpur and Buldana. Preparation of land for sowing of spring crops has

started in Saugor and Jubbulpore. Grass-hoppers appeared in parts of Chhattisgarh but have done no damage. Fodder and water are adequate. Agricultural stock are in good condition. The price of wheat remained stationary in thirteen districts, gram in seventeen, rice in twelve and *juar* in twenty. Wheat in Nimar, rice in Bilaspur and gram in Narsinghpur rose by one seer per rupee. Rice in Chhindwara and gram in Buldana became cheaper by one seer. Elsewhere prices fluctuated slightly with a tendency to rise. The number of weavers on relief has not been reported.

**Feudatory States**—Light to moderate rain, ranging from 38 cents to 4½ inches, fell in ten States during the week. More rain, would be beneficial in Kawardha, Chhuikhadan and Raj-Nandgaon. Sowing of autumn crops continues and germination is reported to be good. Sugarcane in Raigarh and Sakti and cotton in Sarangarh are in very good condition. The supply of fodder and water is sufficient. The variations in prices are unimportant.

**Bombay**—The rainfall during the week was heavy in parts of Broach, Surat, the Konkan, West Khandesh, Nasik, Poona, Satara, Belgaum, Kathiawar, Baroda, Savantvadi and Kolhapur; good in parts of Kaira and Rewa Kantha; moderate in parts of Ahmedabad, East Khandesh, Ahmednagar, Palanpur, Cutch and Mahi Kantha; and slight in parts of Thar and Parkar, Sholapur, Bijapur and Dharwar. More rain is needed for cultivation of autumn crops in parts of Karachi, Sukkur, Thar and Parkar, Kaira, Kanara, East Khandesh, Nasik, Poona, Sholapur, Satara, Bijapur, Belgaum, Cutch and Kathiawar. Preparation of lands for cultivation of autumn crops continues in parts of Sukkur, Larkana, Nasik, Satara, Dharwar, Cutch, Palanpur and Rewa Kantha. Sowing of autumn crops generally continues but has been retarded in parts of Bijapur, Belgaum and Kolhapur owing to insufficient rain. Transplantation is in progress in parts of Karachi, Sukkur, Larkana, Hyderabad, Surat, the Konkan, Nasik, Poona and Savantvadi. Sowing of cotton is in progress in parts of Thar and Parkar, Ahmedabad, Surat, East Khandesh, Baroda and Cutch. The fodder supply is generally adequate. Agricultural stock are sufficient except in parts of Ahmednagar, Poona, Sholapur, Satara and Cutch and are generally in good condition. The supply of drinking water and of water for irrigation are generally adequate. Prices of food grains have fallen slightly in Hyderabad, Ahmedabad, Broach, Nasik, Ahmednagar, Poona, Sholapur, Bijapur and Belgaum; have risen slightly in Thana; and are generally stationary elsewhere. The quantity purchasable per rupee is in Sind 28 to 40 per cent; in Gujarat 20 to 49 per cent; in the Konkan 7 to 25 per cent; in the Deccan 20 to 49 per cent; and in the Karnatak 31 to 44 per cent less than the normal. Stocks of grain are adequate. Labourers get sufficient employment. The cultivating and labouring classes are generally in fair condition. The numbers on relief are:—on works 1,139 in Bijapur and 120 in Dharwar; total on relief 1,259.

**Hyderabad**—The rainfall during the week was 58 cents. Good rain fell in parts of the Warangal district and fair to poor rain elsewhere. There was no rain in seventeen talukas. 55 cents of rain fell in the Kuppal taluka of the Salar Jang Estate. Sowings of autumn crops continue. Seedlings are generally in fair condition except in parts of the Raichur and Mahbubnagar districts and in the Kandahar taluka of the Nander district where they are reported to be withering for want of rain. Early rice lands continue being prepared and sowings are in progress. Scarcity of water prevails in Kushtagi and Lingsugar. Cattle disease is reported in one taluka only. Prices:—wheat 6½; coarse rice 6½; and *juar* 13½ seers per rupee. White *juar* is selling in Hyderabad City at 12½ seers per rupee. Yellow *juar* is not available. The highest price in districts is 8½ seers in the Kushtagi and Raichur districts and the lowest 23 seers in Udgir taluka of the Bidar district.

**Mysore**—Good rain fell during the week in Hassan, Kadur and Shimoga and slight rain elsewhere. Prices of food grains are steady and markets are well supplied. Ploughing and sowing operations continue. Prospects of the season are fair but

rain is urgently needed in parts of Bangalore, Kôlar, Tumkur, Mysore and Chital droog. Cattle are generally healthy. Water and fodder are available.

• **Coorg.**—The rainfall during the week was 5 inches 86 cents. Ploughing for and transplanting of rice continues. Cattle disease prevails in parts. Prices of food grains are high. The public health is fair. Water and fodder for cattle are sufficient.

**Madras.**—The rainfall was normally very heavy in South Canara and Malabar; good in Kistna, Godavari, the Nilgiris, Ganjam and the Vizagapatam Agency; *nil* in Trichinopoly and Tinnevely; and light to fair elsewhere. Irrigation supplies are insufficient in parts of districts except Ganjam, Kistna, Anantapur, Chingleput, Trichinopoly, Tanjore, Tinnevely, Malabar, South Canara and the Nilgiris. Ploughing, sowing, weeding and transplanting are in progress in parts. Standing crops are generally fair, but some in parts of Kurnool, Bellary, Salem and Coimbatore require more rain. Harvests continue with outturn poor to normal. Pasture is insufficient in parts of Kistna, Guntur, the Deccan, Nellore, South Arcot, Coimbatore and Tinnevely. Fodder is scanty in parts of Guntur, the Deccan and North Arcot. The condition of cattle is generally good. The price of rice is stationary in thirteen districts; has fallen in five; and has risen in five. The prices of millets have fluctuated as follows:—*Ragi* is stationary in twelve districts; has fallen in four; and has risen in five. *Cholam* is stationary in five districts; has fallen in five; and has risen in four. *Cumbu* is stationary in five districts; has fallen in four; and has risen in six. The public health is generally good. Prospects are generally fair. The condition of the labouring classes is good and employment is procurable. Grain stocks are generally sufficient.

Secretary to the Government of India.

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

## FAMINE.

Statement showing the number of persons on relief works and in receipt of gratuitous relief in the Districts and Native States affected by famine or scarcity in India—(District details).

NOTE.—The figures are compiled from returns obtained from Local Governments and Political Officers, and give the corrected details of the totals reported in the telegraphic famine reports published weekly in the Supplement to the Gazette of India.

Non-labouring children and other dependants of relief workers are classed under relief works when distinguished in the local returns from persons gratuitously relieved in poor-houses or at their houses. Weavers relieved in their own trade are shown under "village doles or other relief."

SUPPLEMENT TO  
**The Gazette of India.**

No. 29 }

CALCUTTA, SATURDAY, JULY 17, 1909

OFFICIAL PAPERS

A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.

Non-Subscribers to the Gazette may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta, or Rupees nine if sent by Post.

No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.

FREDERICK NOËL-PATON,  
Director-General of Commercial IntelligenceB. ROBERTSON,  
Secretary to the Government of India

Calcutta, June 16, 1909

 Continuation Sheets of Supplement to the Gazette of India published at Calcutta.

No. 991—95.

GOVERNMENT OF INDIA.

HOME DEPARTMENT.

JUDICIAL.

*Simla, the 14th July 1909.*

## EXECUTION OF CERTAIN CLASSES OF DEEDS AND CONTRACTS IN THE MADRAS PRESIDENCY.

## RESOLUTION.

IN exercise of the powers conferred by section 2 of the East India Contracts Act, 1870 (33 and 34 Vict., c. 59), and of all other powers enabling him in this behalf, the Governor General in Council is pleased to direct that the following be substituted for part J of the Resolution of the Government of India in the Home Department, no. <sup>3-Judicial</sup><sub>485-501</sub>, dated the 28th March 1895, as amended

\* Nos. 226-29 (Judicial), dated the 21st February 1908.

Nos. 592-95 (Judicial), dated the 8th May 1908.

by the Resolutions noted on the margin,\* relating to the execution of deeds, contracts and other instruments on behalf of His Majesty's Secretary of State for India in Council:—

J.—In the territories under the administration of the Government of Madras, as regards contracts, etc., not hereinbefore specified—

I.—In the case of the Governor in Council—

All deeds and instruments relating to any matters other than those specified in heads II to VI.

} By a Secretary to Government.

II.—Contracts and other instruments for the purchase, supply, conveyance or carriage of building materials, stores, machinery, etc., and the provision of labour for building or other work, and such like engagements.

} By Collectors of Districts, Sub-Collectors, Assistant and Deputy Collectors in charge of Divisions; Inspector-General, Deputy Inspectors-General, and Superintendents of Police; Commissioner of Police, Madras; Inspector-General of Jails; Inspector-General of Registration; Superintendent of Stationery; and the Presiding Port Officer and Port Officers.

III.—Exploring and prospecting licenses and all mining and other leases not herein otherwise provided for.

} By Collectors of Districts.

IV.—Contracts and other instruments relating to the Medical Department.

} By the Surgeon-General with the Government of Madras.

V.—(a) Leases of whole Excise Salt factories.

} By the Board of Revenue.

(b) All contracts, deeds or other agreements relating to the execution of salt works, or the purchase, sale or transport of salt, the supply of labour, stores, building materials, etc., and any other like engagements relating to the salt revenue or the business of the Salt Department.

} By the Commissioner of Salt, Abkari, and Separate Revenue.

H. A. STUART,  
Secretary to the Government of India.

GOVERNMENT OF INDIA.

DEPARTMENT OF REVENUE AND AGRICULTURE.

**Rainfall summary for the seven days ending at 8 hrs. on Thursday, the 15th July 1909, based on the Indian Daily Weather Reports of the period.**

• A depression formed at the head of the Bay and after remaining stationary for some days crossed the coast near Balasore on the 13th. It was throughout of only slight intensity, but while it was lying over the north of the Bay it had the effect of confining the rainfall in northeast India chiefly to the coast districts. The Arabian Sea monsoon current was fairly vigorous and gave rain over a large part of northwest India, in the central parts of the country, the Deccan and on the west coast of the peninsula. The United Provinces received local falls of rain from both currents.

*Burma.*—Rainfall occurred chiefly in Lower Burma, but all stations except Mandalay and Monywa received some rain during the week. Skies were moderately to heavily clouded and temperature was normal.

*Northeast India, including Orissa.*—Owing to the presence of low pressure conditions over the head of the Bay more rain fell in the coast districts than in other parts of the division, and Bihar, Chota Nagpur and the central districts of Eastern Bengal were almost rainless. Skies were moderately clouded. Temperature was nearly normal.

*The United Provinces, Central India and the Central Provinces.*—There was rain in all parts of the division, but the falls were not numerous in the United Provinces. Skies were only lightly to moderately clouded in this area, but elsewhere moderate to heavy cloud was present. Normal temperature conditions prevailed.

*Northwest India.*—Rain was widespread in Rajputana and Gujarat: from other parts of northwest India only a few falls were reported. Skies were cloudy and temperature was normal except in the extreme northwest where skies were almost clear and temperature was in defect.

*The Peninsula.*—Rain fell in all parts of the division except in the southeast of Madras. Skies were heavily overcast and temperature was normal or in defect.

The following gives the chief rainfall amounts as reported at 8 hrs. each day:—

July 9th. Mergui 3'60", Tavoy 5'12", Moulmein 3'58", Jhansi 2'97",  
Dehra Dun 2'27", Nagpur 3'33", Multan 3'16", Surat  
2'25", Bombay 4'73", Ratnagiri 6'90", Goa 3'30" and  
Karwar 3'64".

„ 10th. Dwarka 2'85", Rajkot 2'14" and Bombay 3'61".

„ 11th. Simla 2'75", Udaipur 1'92", Dwarka 2'58", Belgaum 3'00"  
and Nellore 2'30".

- July 12th. Silchar 2·62", Jalpaiguri 2·16", Cuttack 2·90", Agra 3·70",  
Chanda 1·91", Dwarka 3·00", Surat 2·23", Hanumkonda  
2·71" and Mercara 2·76".
- „ 13th. Silchar 2·45", False Point 3·43", Cuttack 2·68", Akola  
2·58", Ludhiana 2·55", Sambhar 2·25", Ajmer 1·85", Bhuj  
3·53" and Belgaum 2·30".
- „ 14th. Akyab 5·23", Sibsagar 3·15", Hoshangabad 4·00", Seoni  
2·58", Rajkot 2·66", Bombay 3·49" and Ratnagiri 3·17".
- „ 15th. Kyaukpyu 3·98", Akyab 3·23", Chaibassa 1·98", Ranchi  
2·19", Simla 2·06", Delhi 1·91", Hyderabad (Sind) 2·80",  
Rajkot 2·95 and Belgaum 3·05".

The rainfall given by the Arabian Sea current during the past week was generally either equal to or above the average, while that of the Bay current was in general defect. The rainfall for the whole monsoon period is below the normal in only the following divisions:—Chota Nagpur, the east of the United Provinces, the west of Central India, Kashmir, Baluchistan and the Madras Deccan: in all other parts of the country it is either practically normal or in excess.

DIVISION.	RAINFALL DATA FOR WEEK ENDING ON 15TH JULY 1909.			RAINFALL DATA FROM 30TH APRIL 1909 TO 15TH JULY 1909.				
	Average actual rainfall in inches.	Average normal rainfall in inches.	Excess or defect in inches.	Average actual rainfall of season to date in inches.	Average normal rainfall in inches.	Excess or defect in inches.	SEASONAL PERCENTAGE DEPARTURE FROM NORMAL.

R. W. CARLYLE,  
Secretary to the Government of India.

SIMLA  
The 15th July 1909.

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

Season and Crop Prospects for the week ending Saturday,  
10th July 1909.

**Burma.**—The rainfall during the week was general though light in the upper section of the dry zone. It was heavy in Tenasserim and mostly moderate elsewhere. Ploughing and sowing for the main rice crop is progressing and transplanting has commenced in places. But agricultural operations have been retarded owing to insufficiency of rain in Bhamo, Katha, Shwebo and Lower Chindwin. Sowing of sesamum and maize continue in Upper Burma. Standing crops are in good condition except in a few northern districts where more rain is required. The price of unhusked rice has risen slightly in four districts and fallen slightly in two others.

**Eastern Bengal and Assam.**—The weather was seasonable in Assam but hot all over Eastern Bengal. More rain is needed in the hill districts. No fresh damage from floods is reported. In several districts the crops which were inundated have recovered. Prospects of tea are favourable. Sowing of jute which was begun late in some districts has finished. Earlier sown jute on low lands is being harvested and its prospects are good. Transplanting of winter rice is in progress. Autumn rice is being harvested in parts. The relief works in Rangpur have been closed. Nineteen persons were on gratuitous relief. The average price of common rice has risen by 2 per cent. Cattle disease is prevalent in several districts.

**Bengal.**—Rain fell during the week in all districts except Patna and Gya. The fall was moderate in Champaran and Sambalpur and light elsewhere. In North Bihar the break in the rains has been beneficial to standing crops and sowings but more rain is wanted in south-west Bengal and Chota Nagpur for transplantation of winter rice. It is reported that progress is being retarded in parts of Burdwan, Bankura and Manbhum owing to want of moisture. Sowings of autumn crops continue. Sugarcane, jute and other standing crops are doing well. Floods have done some damage to jute in the Kishanganj sub-division of Purnea. The crop in Pakour in the Sonthal Parganas has also suffered from excessive rain. The price of common rice has risen in Midnapore, Saran, Champaran, Bhagalpur and Hazaribagh and has fallen in Nadia. Cattle disease is reported from several districts. The fodder and water supply is sufficient throughout the Province. 2,231 persons attended the famine relief works in Darbhanga and gratuitous relief was given to 29,092 persons in Muzaffarpur, Darbhanga and Palamau.

The weekly report on the famine and scarcity is as follows:—District Darbhanga—Workers exclusive of dependants 2,231; on gratuitous relief (a) dependants of workers 1,629; (b) in poorhouses or kitchens 5,059; and (c) on village doles or other relief 20,101; total gratuitously relieved 26,789. Grand total on relief 29,020. Agricultural prospects are good and have been improved by dry weather. People are actively engaged in cultivating operations. The public health is good except in a few villages. Prices 12 seers per rupee.

**United Provinces.**—Rain fell throughout the Provinces, exceeding 3 inches in seventeen districts. Autumn sowings continue. Early autumn crops are being weeded. Transplantation of late rice has commenced. Standing crops are in good condition. Supplies of fodder and water are adequate. Cattle disease is reported from fifteen districts but the general state of agricultural stock is good. Prices are generally stationary.

The weekly report on the famine and scarcity is as follows:—The health of persons on relief is generally good. Crime is normal. Relief works were closed in Mirzapur. The remaining aided work in Jaunpur has been completed. A few works continue in Garhwal. The civil work open in Bahraich will be closed on the 16th July with

a valedictory dole. Gratuitous relief which is being distributed in five districts will be closed in Basti on the 15th July with a valedictory dole. The number on relief works has fallen considerably but that of gratuitous relief has risen slightly. The numbers on Government relief are:—on relief works 9,605; on aided works 19; on gratuitous relief 11,798; in poorhouses 147; on private works 22; total on relief 21,591. Prices:—Garhwal 9; Kera Mangraur, Kheri and Bahraich 14; Bijaigarh 15; and Basti 16 seers per rupee.

**Punjab.**—Good rain was received in Ambala, Jullundur and Ludhiana and moderate to light rain in all the remaining districts. More rain is badly needed in Sialkot. Extra spring crops are still being harvested in some districts. Sowings of autumn crops continue satisfactorily. Standing autumn crops are generally in good condition. Autumn crops have been slightly damaged by insects in parts of Rohtak, Sialkot and Multan. Prices are high and have risen slightly in some districts. Cattle are generally in good condition. Fodder is sufficient except in parts of Shahpur.

**North-West Frontier Province.**—Rain ranging from 23 cents to 5 inches 54 cents fell all over the province and was beneficial to standing crops and to autumn sowings which are in progress everywhere. The condition of standing crops is fair. Harvesting of extra spring crops continues in Bannu and the outturn is reported to be average. The public health is good. Cattle disease is prevalent in two tahsils. Irrigation from canals is ample. Fodder is deficient in the Marwat tahsil of the Bannu district and sufficient elsewhere. Prices are stationary in Dera Ismail Khan but are fluctuating elsewhere. Prices:—wheat  $10\frac{7}{16}$  to 12; maize  $14\frac{5}{16}$  to  $17\frac{1}{2}$ ; gram  $13\frac{5}{16}$  to 16; *bajra* 13 to 15; and barley  $18\frac{9}{16}$  seers per rupee.

**Jammu.**—Slight rain fell during the week. Prices are stationary. Wheat sells from 9 to 16 and maize from 12 to 20 seers per rupee. The condition of standing crops is fair. Cattle disease of mild type is prevalent in two tahsils. Fodder is sufficient. Sowing of autumn crops is in progress.

**Kashmir.**—The weather was bright except for rain on two occasions. The condition of spring crops is good. Fodder is sufficient. There is no disease among cattle. Prices are unchanged.

**Rajputana.**—The rainfall registered in cents was:—Bharatpur 670; Jaipur 585; Banswara 459; and 115 to 328 in Bikaner, Mewar, Tonk, Bundi, Jhalawar, Kishangarh, Alwar, Karauli, Dholpur and Ajmer-Merwara. The following States received from 41 to 83 cents:—Jaisalmer, Sirohi, Shahpura and Kotah. Slight showers occurred in Partabgarh. No rain fell in Jodhpur but nine districts out of twenty-three received between 46 and 540 cents. The rainfall was excessive in parts of Karauli necessitating fresh sowings; it was sufficient in Kotah where maize has germinated well. Early sowings are thriving in Jodhpur. Cultivators are generally engaged in ploughing and sowing. Standing crops are being weeded in places. The condition of cattle is generally good. Pasturage and fodder are ample. Prices show a tendency to rise in many places.

**Central India.**—The rainfall during the week was fair in Indore and general and sufficient elsewhere. Sowing of autumn crops is in progress. The condition of agricultural stock is satisfactory except for some cattle disease in Baghelkhand, Bundelkhand and Bhopawar. Prices are high but stationary.

**Central Provinces.**—Moderate to heavy rain fell during the week. The heaviest fall registered was 14 inches at Balaghat. Saugor, Hoshangabad, Nimar and Betul received less than 1 inch. In other districts, the rainfall ranged from 1 inch in Seoni to  $5\frac{3}{4}$  inches in Bhandara. More rain is needed in Jubbulpore, Nagpur, Chanda, Drug, Raipur and the Vindhyan districts. Sowing of autumn crops is in full swing throughout the Provinces and germination is successful except in parts of the Rehli tahsil of the Saugor district. A little resowing was necessary in Hoshangabad and Drug. Transplantation and thinning have started in the rice districts. Weeding is in progress in Saugor, Narsinghpur, Nimar and the districts of Berar. Preparation of land for sowing of spring crops continues in Jubbulpore and Narsinghpur. Grasshoppers are doing some damage to crops in Raipur and Drug. The supply of fodder and water is sufficient

everywhere. Cattle are doing well. Prices of staple food grains are steady. Weaver relief was closed in Chanda at the end of June. No famine relief operations of any kind are now current in the Provinces and the submission of weekly famine telegrams and statements is therefore discontinued.

*Feudatory States.*—The rainfall during the week was good, varying from  $5\frac{1}{2}$  inches in Raigarh and Sakti to  $1\frac{1}{2}$  inches in Kanker. More rain is required in Kawardha and Raj-Nandgaon where some resowing was necessary owing to insufficient rain and damage by insects. Sowing of autumn crops is generally in rapid progress and germination is good. Fodder and water are adequate. Prices:—wheat in Kawardha and Chhuikhadan rose by two seers and rice in Kawardha, Chhuikhadan, Khairagarh and Raj-Nandgaon by  $\frac{1}{4}$  to  $1\frac{1}{4}$  seers per rupee. Elsewhere prices were steady or fluctuated slightly.

**Bombay.**—The rainfall during the week was heavy in parts of Surat, the Konkan, Nasik, Belgaum, Kathiawar and Kolhapur; good in parts of Kaira, Broach, East Khandesh, Satara, Dharwar, Baroda and Cutch; moderate in parts of Ahmedabad, the Panch Mahals, West Khandesh, Palanpur and Rewa Kantha; and slight in parts of Sind, Ahmednagar, Poona, Sholapur, Bijapur and Mahi Kantha. The rainfall was generally sufficient and beneficial, but more rain is needed for cultivation of autumn crops in parts of Karachi, Thar and Parkar, Kaira, Nasik, Ahmednagar, Satara, Bijapur, Belgaum and Palanpur. Sowing of autumn crops generally continues but has been retarded in parts of Ahmednagar, Bijapur, Belgaum and Kolhapur owing to insufficient rain and in parts of Broach and Surat owing to excessive moisture. Transplantation is in progress in parts of Karachi, Sukkur, Larkana, Hyderabad, the Panch Mahals, Kaira, Surat, the Konkan, Nasik, Poona and Rewa Kantha. Sowing of cotton continues in parts of Thar and Parkar, Ahmedabad, Surat, East Khandesh, Baroda, Cutch and Rewa Kantha. The supply of fodder is generally adequate. Agricultural stock are sufficient except in parts of Ahmednagar, Poona, Sholapur, Satara and Cutch and are generally in good condition. The supply of drinking water and of water for irrigation are generally adequate. Prices of food grains have fallen slightly in the Upper Sind Frontier, the Panch Mahals, East Khandesh, Ahmednagar, Sholapur and Dharwar; have risen slightly in Sukkur, Larkana and Colaba; and are generally stationary elsewhere. The quantity purchasable per rupee is in Sind 21 to 41 per cent; in Gujarat 20 to 42 per cent; in the Konkan 7 to 37 per cent; in the Deccan 17 to 48 per cent; and in the Karnatak 31 to 40 per cent less than the normal. Stocks of grain are adequate. Labourers get sufficient employment. The cultivating and labouring classes are generally in fair condition. The numbers on relief are:—on works, 839 in Bijapur; on gratuitous relief, 93 in Bijapur and 120 in Dharwar; total on relief 1,052.

**Hyderabad.**—The rainfall during the week was 1 inch 62 cents. Rain fell during the week throughout the Dominions except in the Kuppal taluka of the Salar Jang Estate which is still badly off. The highest falls were 6 inches 63 cents in Jintur and 5 inches 18 cents in Hingoli in the Parbhani district. Sowings of autumn crops are in progress and seedlings are generally fair. Autumn sowings are reported to have been suspended and seedlings are withering in parts for want of rain especially in the Raichur, Gulbarga, Mahbubnagar and Nalgonda districts while crops are reported to have been damaged by insects in parts of Mahbubnagar. Land for the sowing of spring crops is being prepared in some tracts as also early rice lands, sowings of which are in progress. Water scarcity is reported in the Kushtagi taluka of the Raichur district and the Yellaredi taluka of the Nizamabad district. Scarcity of fodder is reported in the Kushtagi and Lingsugar talukas of the Raichur district. Cattle disease prevails in one district. Prices:—wheat  $7\frac{1}{2}$ ; coarse rice 7; and *juar*  $14\frac{1}{4}$  seers per rupee. White *juar* is selling in Hyderabad City at  $12\frac{1}{2}$  seers per rupee. Yellow *juar* is not available. The highest price in districts is  $8\frac{3}{4}$  seers in the Kushtagi taluka of the Raichur district and the lowest 22 seers in the Nilanga and Rajura talukas of the Bidar district.

**Mysore.**—Good rain fell during the week in Hassan, Kadur and Shimoga and slight rain elsewhere. Prices of food grains are generally steady and markets are well supplied.

Ploughing and sowing operations continue. Standing crops are in good condition but more rain is needed in parts of Bangalore, Kolar, Tumkur, Mysore and Chitaldroog. Cattle are generally healthy. Water and fodder are available.

**Coorg.**—The rainfall during the week was 11 inches 99 cents. Ploughing for and transplanting of rice continues. Cattle disease prevails in parts. Prices of food grains are high. The public health is fair. Water and fodder for cattle are sufficient.

**Madras.**—The rainfall was normally very heavy in South Canara and Malabar; heavy in Ganjam; good in the Nilgiris, Godavari, Vizagapatam and Kistna; *nil* in Madura; and light to fair elsewhere. Irrigation supplies are insufficient in parts of districts except Vizagapatam, Godavari, Kistna, Chingleput, Trichinopoly, Tanjore, Tinnevely, Malabar, South Canara and the Nilgiris. Ploughing, sowing, weeding and transplanting are in progress in parts. Standing crops are generally fair, but some in parts of Bellary, Anantapur, Salem and Coimbatore require more rain. Harvests continue with outturn poor to normal. Pasture is insufficient in parts of Guntur, the Deccan, Nellore, Coimbatore and Tinnevely. Fodder is scanty in parts of Guntur, the Deccan, South Arcot and North Arcot. The condition of cattle is generally good. The price of rice is stationary in fifteen districts; has fallen in three; and has risen in five. The prices of millets have fluctuated as follows:—*Ragi* is stationary in nine districts; has fallen in six; and has risen in six. *Cholam* is stationary in four districts; has fallen in four; and has risen in six. *Cumbu* is stationary in four districts; has fallen in four; and has risen in seven. The public health is generally good. Prospects are generally fair. The condition of the labouring classes is generally good and employment is procurable. Grain stocks are generally sufficient.

GOVERNMENT OF INDIA.  
DEPARTMENT OF REVENUE AND AGRICULTURE.

FAMINE.

*Statement showing the number of persons on relief works and in receipt of gratuitous relief in the Districts and Native States affected by famine or scarcity in India—(District details).*

NOTE.—The figures are compiled from returns obtained from Local Governments and Political Officers, and give the corrected details of the totals reported in the telegraphic famine reports published weekly in the Supplement to the *Gazette of India*.

Non-labouring children and other dependants of relief workers are classed under relief works when distinguished in the local returns from persons gratuitously relieved in poor-houses or at their houses. Weavers relieved in their own trade are shown under "village doles or other relief."

FOR THE WEEK ENDING SATURDAY, THE 26TH JUNE 1909.

*Printed and published for the* GOVERNMENT OF INDIA at the GOVERNMENT CENTRAL PRINTING OFFICE, Simla.

SUPPLEMENT TO  
**The Gazette of India.**

---

No. 30.} SIMLA, SATURDAY, JULY 24, 1909.

---

**OFFICIAL PAPERS.**

*A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The Debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.*

*Non-Subscribers to the GAZETTE may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta or Rupees nine if sent by Post.*

*No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.*

**RESOLUTION.**

In exercise of the powers conferred by section 2 of the East India Contracts Act, 1870 (33 and 34 Vict., C. 59), and of all other powers enabling him in this behalf, the Governor General in Council is pleased to direct that the following be substituted for clause XV of part E of the Resolution of the Government of India in the Home Department, no. 3-Judicial—485-501, dated the 28th March 1895, relating to the execution of deeds, contracts and other instruments on behalf of

( 1593 )

A

His Majesty's Secretary of State for India in Council :—

XV.—Agreements with monthly non-pensionable European, Eurasian and Native employés on State Railways, defining the terms and conditions of service to be entered into on entering the service of Government.

By Managers, Engineers-in-Chief, Locomotive Superintendents, Carriage and Wagon Superintendents, Traffic Superintendents, Examiners of Accounts, Chief Storekeepers ; and Executive Engineers in charge of Divisions, District Locomotive Superintendents, District Carriage and Wagon Superintendents, and District Traffic Superintendents in the Railway Branch.

ORDER—Ordered that the above Resolution be communicated to the Railway Department (Railway Board) for information, with reference to its office memorandum no. 2424-R.E., dated the 12th July 1909 ; and that it be published in the Supplement to the *Gazette of India*.

H. A. STUART,

*Secretary to the Government of India.*

Secretary to the Government of India.

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

**Rainfall summary for the seven days ending at 8 hrs. on Thursday, the 22nd July 1909, based on the Indian Daily Weather Reports of the period.**

A shallow depression shown over Orissa and Chota Nagpur on the 16th moved in a westnorthwesterly direction and became merged in the trough of low pressure on the 18th. The Bay current did not pass freely into the depression and during nearly the whole week gave rain only in Burma and northeast India. The Arabian Sea current on the other hand was more vigorous than usual in northern India and gave rain from the North-West Frontier Province to Chota Nagpur. Very heavy rain fell in the northwest of the United Provinces and parts of the east and north of the Punjab, amounts ranging from four to nine inches being reported on the 20th from Dehra Dun, Meerut, Bareilly, Sirsa and Rawalpindi. Very heavy falls also occurred at Mount Abu where a total of 36 inches was recorded from the 16th to the 19th, of this amount 22 inches were received from 8 hrs. on the 17th to 8 hrs. on the 19th. As is frequently the case during periods when the Arabian Sea current extends over northern India, comparatively little rain was given by it in the peninsula, and the week's rainfall in that part of the country was in general defect.

*Burma.*—Rain fell in all parts of the province except at some places in the central districts. Skies were moderately to heavily clouded, and temperature was approximately normal.

*Northeast India, including Orissa.*—The whole division received rain. Cloud was comparatively light on the 16th and 17th and moderate to heavy on the remaining days. Temperature was normal or in slight defect.

*The United Provinces, Central India and the Central Provinces.*—Heavy rain was reported from the northwest of the United Provinces on the 20th and 21st: the rainfall in the rest of the division was comparatively light but well distributed. Cloud was heavy except in the United Provinces on the 16th, 17th and 18th. Maximum temperature was in general defect, the deficiency being large in the Central Provinces and the west of Central India on the 17th and in the United Provinces on the 20th.

*Northwest India.*—North Kashmir, Baluchistan, Sind and Cutch were practically rainless, but nearly every observatory in the rest of the division had rain, and some heavy falls were reported from parts of the east and north of the Punjab on the 20th. Cloud was moderate to heavy except in the northwestern districts. Temperature was normal or in defect, some stations on the 18th reporting maxima largely below normal.

*The Peninsula.*—Very little rain fell in Mysore, southeast Madras and the Madras Deccan; and in the rest of the division, although most stations reported rain, the amounts were comparatively small. Cloud was light to moderate on the 18th and 19th and moderate to heavy on the remaining days. Temperature was approximately normal.

The following summarises the chief rainfall amounts as reported at 8 hrs. each day :—

- July 16th. Mergui 5'03", Moulmein 5'62", Diamond Island 5'87",  
Mount Abu 4'00" and Surat 5'12".
- „ 17th. Bhamo 2'60", Jhansi 2'70", Pachmarhi 5'04", Chanda 3'40",  
Mount Abu 9'89" and Surat 4'87".
- „ 18th. Nagpur 2'49", Rawalpindi 2'51" and Mount Abu 11'24".
- „ 19th. Chittagong 4'50" and Mount Abu 10'84".
- „ 20th. Dehra Dun 8'22", Roorkee 3'10", Meerut 8'94", Bareilly  
4'61", Agra 2'18", Cawnpore 4'40", Sirsa 5'81", Ambala  
3'76", Rawalpindi 5'04", Murree 3'50" and Lahore 2'11".
- „ 21st. Mergui 5'03", Cherra Poonjee 8'30", Darjeeling 6'59",  
Jalpaiguri 3'12", Patna 3'76", Gaya 3'08", Roorkee 4'75",  
Bareilly 3'25", Muktesar 3'19" and Lahore 3'67".
- „ 22nd. Akyab 5'62", Cherra Poonjee 5'90", Darjeeling 4'98",  
Darbhanga 3'18", Gaya 3'06", Bahraich 2'45" and Dehra  
Dun 8'69".

The week's rainfall was much heavier than usual in the west of the United Provinces, the Punjab and the North-West Frontier Province, but it was in general defect in the peninsula. The seasonal rainfall which a week ago was only just normal in the east and north of the Punjab and the west of the United Provinces is now in decided excess in those two divisions.

DIVISION.	RAINFALL DATA FOR WEEK ENDING ON 22ND JULY 1909.			RAINFALL DATA FROM 30TH APRIL 1909 TO 22ND JULY 1909.				
	Average actual rainfall in inches.	Average normal rainfall in inches.	Excess or defect in inches.	Average actual rainfall of season to date in inches.	Average normal rainfall in inches.	Excess or defect in inches.	SEASONAL PERCENTAGE DEPARTURE FROM NORMAL.

GEORGE C. SIMPSON,

for Director-General of Observatories.

R. W. CARLYLE,

Secretary to the Government of India.

SIMLA

The 22nd July 1909.

## GOVERNMENT OF INDIA.

## DEPARTMENT OF REVENUE AND AGRICULTURE.

Season and Crop Prospects for the week ending Saturday,  
17th July 1909.

**Burma.**—The rainfall during the week was heavy in Lower Burma generally but more particularly along the coast; it was mostly light in the dry zone and fair in the northern sections of Upper Burma. Ploughing and sowing for the main rice crop are progressing satisfactorily on the whole and transplanting is extending. Sowing of early sessamum and maize continue in Upper Burma. Agricultural operations have been retarded for want of rain in Katha, Shwebo and Lower Chindwin. More rain is also needed in Magwe, Bhamo and Myingyan. Nurseries are withering in parts of Bhamo and Shwebo and insects have done some damage to beans in the Budalin township of Lower Chindwin. Elsewhere, standing crops are in good condition. The price of unhusked rice has risen considerably in one district and slightly in four others; it has fallen considerably in one district.

**Eastern Bengal and Assam.**—The weather during the week was seasonable in the Dacca and Chittagong divisions and in Assam generally. In the Rajshahi division, Nowgong, Darrang, Manipur and the Chittagong Hill Tracts more rain is needed and transplanting of winter rice is being retarded. Prospects of tea are generally fair but the outturn is likely to be short. Green-fly is prevalent in Lakhimpur. Harvesting of jute and autumn rice progresses. Winter rice is being transplanted. The condition of crops on lowlands in Rajshahi, Goalpara and the Garo Hills is not good. Fodder is short in Kamrup and South Sylhet. The distressed areas in Malda are recovering. General crop prospects are good. No relief works are open. 32 persons were on gratuitous relief in Rangpur. The average price of common rice has fallen by about one per cent. Cattle disease is reported from several districts.

**Bengal.**—The rainfall during the week was general over the Province; it was very heavy in parts of Cuttack, Puri and Darjeeling; moderate in Midnapore, Khulna, Balasore, Angul, Sambalpur, Hazaribagh, Ranchi and Palamau; and light elsewhere. Transplantation of winter rice is in progress but more rain is wanted for transplantation in some districts of the Burdwan and Presidency divisions as well as in Saran, Bhagalpur, Purnea, the Sonthal Parganas and Manbhum. The cessation of rain has been beneficial to autumn crops in Muzaffarpur and Darbhanga. Jute, sugarcane and other standing crops are doing well. Insects have done some injury to jute in parts of Nadia and some damage has been done to autumn paddy by floods in Shahabad. The price of common rice has risen in Nadia, Muzaffarpur, Puri, Hazaribagh, Ranchi and Manbhum and has fallen in Jessore, Saran and Champaran. Cattle disease is reported from several districts. The fodder and water supply is sufficient throughout the Province. In Darbhanga 993 persons attended famine relief works but the works are now being closed. Gratuitous relief was given to 28,161 persons in Muzaffarpur, Darbhanga and Palamau.

The weekly report on the famine and scarcity is as follows:—District Darbhanga—Workers exclusive of dependants 993; on gratuitous relief (a) dependants of workers 1,012; (b) in poorhouses or kitchens 5,110; and (c) on village doles or other relief 20,244; total gratuitously relieved 26,366. Grand total on relief 27,359. All relief works have been closed excepting three in Darbhanga thana. The Collector hopes to close all relief operations by 31st July. Prospects are good. Autumn crops are coming up well in the Madhubani sub-division. Early *marua* is being harvested and sold in markets. The dry weather since the commencement of this month after the heavy rainfall of last month has improved the condition of autumn crops. Rain is now required particularly for transplantation of paddy. Some emaciation among women and children is still reported in Darbhanga thana where portions of the country became flooded. Prices 12 seers per rupee.

**United Provinces.**—Rain fell throughout the Provinces. The falls were heaviest in Bundelkhand and the hills and lightest in the eastern submontane districts. Autumn sowings continue. Early crops are being weeded and late rice is being transplanted. The condition of standing crops is good. Cattle disease is reported from twenty-two districts but the general condition of agricultural stock is good. Markets are well supplied. Prices are generally stationary.

The weekly report on the famine and scarcity is as follows:—The condition of people on relief is good. Crime is normal. Works are being gradually closed in Garhwal. The civil works in Bahraich were closed on the 16th July with a month's valedictory dole. Valedictory doles to recipients of gratuitous relief were given in Mirzapur on the 17th July for six weeks. In Basti and Garhwal valedictory doles were given on the 15th July for a fortnight and month respectively. Gratuitous relief continues in Kheri and Bahraich. The numbers on relief works and gratuitous relief are decreasing. The numbers on Government relief are:—on relief works 9,283; on gratuitous relief 9,752; in poorhouses 54; total on relief 19,089. Prices:—Garhwal 9; Kera Mangraur, Kheri and Bahraich 14; Bijaigarh 15; and Basti 16 seers per rupee.

**Punjab.**—Good rain has fallen in parts of Rohtak, Gurgaon, Delhi, Ambala, Jullundur, Ludhiana, Shahpur, Rawalpindi and Lyallpur and moderate to light rain in other parts of the Province. More rain is wanted in Amritsar and Sialkot. Extra spring crops are being harvested in some districts. Sowings of autumn crops continue satisfactorily. Standing autumn crops are generally in good condition and have been benefited by the recent rain. Crops have been slightly damaged by insects and excessive rain in Rohtak and by grass-hoppers in Multan. Prices are high and have risen in some districts. Cattle are generally in good condition except in Sialkot where they have become a little weak owing to over-work. Fodder is sufficient except in parts of Shahpur. Complaints of shortage in the water supply are general in the Toba Teksingh tahsil of the Lyallpur district.

**North-West Frontier Province.**—The rainfall was general all over the province, ranging from 15 cents in Bannu to 5 inches 71 cents in Mardan. It was beneficial to standing crops and for autumn sowings which are still in progress everywhere. The condition of crops is good. Harvesting of extra spring crops in Bannu continues and the outturn is reported to be average. The public health is good. Cattle disease is reported in one village of the Mardan tahsil of Peshawar. Canal irrigation in Peshawar is satisfactory and rivers are rising. Irrigation from the Paharpur canal was stopped owing to damage done by floods. Fodder is deficient in the Marwat tahsil of Bannu but is sufficient elsewhere. Prices are rising in Bannu and Dera Ismail Khan but are falling slightly in Peshawar. Prices:—wheat  $10\frac{5}{16}$  to  $11\frac{1}{2}$ ; maize  $14\frac{1}{16}$  to  $15\frac{1}{2}$ ; gram  $13\frac{5}{16}$  to 16; *bajra*  $12\frac{3}{16}$  to  $14\frac{1}{2}$ ; and barley  $18\frac{7}{8}$  seers per rupee.

**Jammu.**—Good rain fell during the week. Prices are fluctuating. Wheat sells from 10 to 14 and maize from  $13\frac{1}{2}$  to 20 seers per rupee. The condition of standing crops is fair. Cattle disease of mild type prevails in parts of the Province. Fodder is sufficient. Land is being ploughed for sowings of autumn crops.

**Kashmir.**—It rained heavily on two occasions during the week which did good to crops. The condition of crops is good. Fodder is sufficient. There is no disease among cattle. Prices are unchanged.

**Rajputana.**—The rainfall during the week was general. The amounts registered in cents were:—Shahpur 626; Bikanir, Mewar, Banswara, Tonk, Kotah, Jhalawar and Ajmer-Merwara between 307 and 577; Marwar, Jaisalmer, Sirohi, Partabgarh, Bundi, Jaipur, Kishangarh, Alwar, Dholpur and Karauli between 110 and 293; and Bharatpur 12. Agricultural operations are satisfactory. Sowings continue and are doing well where they have germinated. There has been slight damage in Jaipur. The condition of cattle is good. Pasturage and fodder are sufficient. Prices have risen by 2 seers per rupee in Bundi; they have fallen to the same extent in Karauli and by 1 seer in Marwar.

**Central India.**—The rainfall was general and sufficient for the present. Sowing of autumn crops and weeding are in progress. Agricultural stock are satisfactory except

for some cattle disease in parts of Indore, Baghelkhand, Bundelkhand and Bhopawar. Prices have fallen slightly in Malwa and are stationary but high elsewhere.

**Central Provinces.**—During the week, cloudy and rainy weather prevailed throughout the Provinces. The rainfall was good and well distributed. The heaviest falls, in inches, were:—Bhandara  $9\frac{1}{2}$ ; Mandla  $8\frac{3}{4}$ ; Yeotmal 8; Nagpur  $7\frac{1}{4}$ ; and Hoshangabad and Chanda each 7. Elsewhere the rainfall ranged from  $2\frac{1}{4}$  inches in Nimar to 6 inches in Buldana. Sowing of autumn crops is rapidly approaching completion but was retarded by continuous rain in Mandla and Nagpur. Germination is reported satisfactory everywhere. Thinning and transplantation continue in the rice districts and weeding in Jubbulpore, Hoshangabad, Nimar and the Vindhyan and Berar districts. Preparation of land for the sowing of spring crops is in progress in Damoh, Narsinghpur and Amraoti. Grasshoppers have slightly damaged late sown rice in Raipur but have disappeared from Drug and Bilaspur. Fodder and water are adequate. Agricultural stock are in good condition. Prices are steady.

**Feudatory States.**—Heavy rain fell during the week. The heaviest falls were:—Sakti  $10\frac{1}{2}$ ; Raigarh and Kanker  $9\frac{1}{2}$ ; and Raj-Nandgaon 9 inches. The quantity reported from the remaining States did not exceed 4 inches. A break in the rains is needed in Sakti but more rain will be welcome in Kawardha and Sirguja. Sowing and thinning of autumn crops are well advanced and germination is successful everywhere. Fodder and water are sufficient. The price of rice became cheaper by two seers per rupee in Raigarh. Prices were steady elsewhere or fluctuated slightly.

**Bombay.**—The rainfall during the week was heavy in parts of Surat, the Konkan, Nasik, Poona, Satara, Belgaum, Kathiawar, Cutch, Baroda and Kolhapur; good in parts of Thar and Parkar, Ahmedabad, the Panch Mahals, Kaira, Broach, East Khandesh, West Khandesh, Dharwar, Palanpur, Mahi Kantha and Rewa Kantha; moderate in parts of Karachi, Larkana and Hyderabad; and slight in parts of Sukkur, the Upper Sind Frontier, Ahmednagar, Sholapur and Bijapur. The rainfall was beneficial and generally sufficient but more is needed for cultivation of autumn crops in parts of Karachi, Poona, Satara, Bijapur and Dharwar. Sowing of autumn crops generally continues but has been retarded in parts of Satara and Bijapur owing to insufficient rain and in parts of Surat, East Khandesh, Belgaum and Cutch owing to excessive moisture. Transplantation is in progress in parts of Karachi, Sukkur, Larkana, Hyderabad, Gujarat, the Konkan, Nasik, Poona, Satara and Rewa Kantha. Sowing of cotton continues in parts of Thar and Parkar, Ahmedabad, Baroda and Cutch. The fodder supply is generally adequate. Agricultural stock are sufficient except in parts of Ahmednagar, Poona, Sholapur, Satara and Cutch and are generally in good condition. The supply of drinking water and of water for irrigation are generally adequate. Prices of food grains have fallen slightly in Colaba, Ratnagiri and West Khandesh, have risen slightly in the Upper Sind Frontier, Thana, Sholapur and Kathiawar; and are generally stationary elsewhere. The quantity purchasable per rupee is in Sind 26 to 41 per cent; in Gujarat 20 to 42 per cent; in the Konkan 12 to 35 per cent; in the Deccan 17 to 31 per cent; and in the Karnatak 30 to 40 per cent less than the normal. Stocks of grain are adequate. Labourers get sufficient employment. The cultivating and labouring classes are generally in fair condition. The numbers on gratuitous relief are:—93 in Bijapur and 123 in Dharwar.

**Hyderabad.**—The rainfall during the week was 2 inches 1 cent. Rain fell throughout the Dominions. It was good in the Warangal and Adilabad districts; fair to poor elsewhere; and very poor in the Bir district. The highest fall was 6 inches 43 cents in the Pakhal taluka of the Warangal district. No report has yet been received from Kuppal in the Salar Jang Estate. Sowings of autumn crops still continue in most parts. They are over only in a few places and are suspended in others for want of rain. The crop is being weeded and is generally fair to good except in parts of the Mahbubnagar, Huzurnagar and Pakhal talukas where it is reported to have been damaged by insects. Lands are being prepared for the sowing of spring crops and early rice is being sown in parts of the Telingana district. Fodder scarcity prevails in the Kushtagi and Lingsugur talukas of the Raichur district and the Huzurnagar taluka of the Nalgonda district and water scarcity in the Kushtagi, Yellareddi and Huzurnagar talukas. Cattle disease is

reported in two talukas. Prices:—wheat  $6\frac{3}{4}$ ; coarse rice 7; and *juar*  $14\frac{1}{2}$  seers per rupee. White *juar* is selling in Hyderabad City at  $12\frac{1}{2}$  seers per rupee. Yellow *juar* is not available. The highest price in districts is  $8\frac{3}{4}$  seers in the Kushtagi taluka of the Raichur district and the lowest 24 seers in the Udgir taluka of the Bidar district.

**Mysore.**—The rainfall during the week was good in Hassan, Kadur and Shimoga; fair in Tumkur and Chitaldroog; and slight elsewhere. Prices of food grains are generally steady and markets are well stocked. Ploughing and sowing operations continue. Standing crops are in good condition but more rain is needed in parts of Bangalore, Kolar, Tumkur and Mysore. Cattle are generally healthy. Water and fodder are available.

**Coorg.**—The rainfall during the week was 11 inches 21 cents. Ploughing for, and transplanting of, rice continue. Cattle disease prevails in parts. Prices of food grains are high. The public health is fair. Water and fodder for cattle are sufficient.

**Madras.**—The rainfall was normally very heavy in Malabar and South Canara; heavy in the Nilgiris; good in Ganjam, the Vizagapatam Agency, Godavari, Kistna and Kurnool; *nil* in Madura and Tinnevely; and light to fair elsewhere. Irrigation supplies are insufficient in parts of districts except Vizagapatam, Godavari, Kistna, Chingleput, Trichinopoly, Malabar, South Canara and the Nilgiris. Ploughing, sowing, weeding and transplanting are in progress in parts. Standing crops are generally fair, but some in parts of Cuddapah, Salem and Coimbatore require more rain and some in parts of North Arcot and Madura are withering. Harvests continue with outturn poor to normal. Pasture is insufficient in parts of Guntur, Bellary, Cuddapah, Nellore, South Arcot, Coimbatore, Trichinopoly and Tinnevely. Fodder is scanty in parts of Guntur, Anantapur, Cuddapah, South Arcot and North Arcot. The condition of cattle is generally good. The price of rice is stationary in ten districts; has fallen in ten; and has risen in three. The prices of millets have fluctuated as follows:—*Ragi* is stationary in ten districts; has fallen in four; and has risen in seven. *Cholam* is stationary in five districts; has fallen in four; and has risen in five. *Cumbu* is stationary in nine districts; has fallen in two; and has risen in four. The public health is generally good. Prospects are generally fair. The condition of the labouring classes is good and employment is procurable. Grain stocks are generally sufficient.

FAMINE.

*Statement showing the number of persons on relief works and in receipt of gratuitous relief in the Districts and Native States affected by famine or scarcity in India—(District details).*

NOTE.—The figures are compiled from returns obtained from Local Governments and Political Officers, and give the corrected details of the totals reported in the telegraphic famine reports published weekly in the Supplement to the *Gazette of India*.

Non-labouring children and other dependants of relief workers are classed under relief works when distinguished in the local returns from persons gratuitously relieved in poor-houses or at their houses. Weavers relieved in their own trade are shown under "village doles or other relief."

*Printed and published for the* GOVERNMENT OF INDIA at the GOVERNMENT CENTRAL PRINTING OFFICE, Simla.

SUPPLEMENT TO  
**The Gazette of India.**

No. 29.}

CALCUTTA, SATURDAY, JULY 31, 1909.

OFFICIAL PAPERS

A SUPPLEMENT to the GAZETTE OF INDIA will be published from time to time, containing such Official Papers and information as the Government of India may deem to be of interest to the Public, and such as may usefully be made known. The debates of the Legislative Council of His Excellency the Governor General will in future be published in PART VI of the GAZETTE.

Non-Subscribers to the Gazette may receive the SUPPLEMENT separately on a payment of five Rupees per annum if delivered in Calcutta, or eight Rupees if sent by Post. The SUPPLEMENT and PART VI of the GAZETTE can also be subscribed for separately on a payment of Rupees six per annum if delivered in Calcutta, or Rupees nine if sent by Post.

No Official Orders or Notifications, the Publication of which in the GAZETTE OF INDIA is required by Law, or which it has been customary to publish in the CALCUTTA GAZETTE, will be included in the SUPPLEMENT. For such Orders and Notifications the body of the GAZETTE must be looked to.
